INSIDE SPORTS

Men's Indoor Soccer | Third edition | February 9

My goal is to improve our communication and give you some inside tidbits from the games. The First week of games were exciting, and I hope they continue to keep you entertained for the remainder of the year. Please give me feedback to help improve our sports programs at the YMCA. You can call me or shoot me an email at mguzman@ymcaswkansas.org. Always remember to have fun, display good sportsmanship and hopefully you will develop some lifelong skills!
