# My Y Story

## DAVID AMARO

My name is David Amaro, I am a 23-year old Garden City native and here is my Y story. My Y story began when I was in the third grade and received my first ever academic exemplary award.

Chad Knight (CEO) of the YMCA rewarded me with a membership at the YMCA. Ever since, I been

able to develop myself into the man and athlete I am today.

I recently got a call up for the National Futsal Team and have been attending Olympic camps throughout the year. After accomplishing this, I'd like to thank Chad Knight and the

YMCA for allowing me to have a platform to follow my dreams and to my community by sharing my Y story. I hope that it can help inspire and motivate others to follow their dreams and never give up!
