INDEPENDENT AUDITORS' REPORT

To the Board of Directors of
Young Men's Christian Association of Southwest Kansas, Inc.

We have audited the accompanying statement of cash receipts, cash disbursements, and cash balances of the Young Men's Christian Association of Southwest Kansas, Inc. (a nonprofit organization) as of December 31, 2015 and 2014 and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the cash receipts and disbursements basis of accounting as described in Note A; this includes determining that the cash receipts and disbursements basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the cash receipts, cash disbursements, and cash balances of Young Men's Christian Association of Southwest Kansas, Inc. as of December 31, 2015 and 2014, in accordance with the cash receipts and disbursements basis of accounting described in Note A.

Basis of Accounting

We draw attention to Note A of the financial statements, which describes the basis of accounting. The financial statements are prepared on the cash receipts and disbursements basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

NOTES TO FINANCIAL STATEMENTS

December 31, 2015 and 2014

NOTE A - SUMMARY OF ACCOUNTING POLICIES

A summary of significant accounting policies consistently applied in the preparation of the accompanying financial statements follows:

1. Nature of activities

The Young Men's Christian Association of Southwest Kansas, Inc. (YMCA), is a not-for-profit membership organization organized August 17, 1964. The YMCA serves the area in and around Garden City and Dodge City, Kansas. The YMCA's mission is to put Christian principles into practice through programs that build healthy spirit, mind and body for all.

2. Basis of accounting

The accompanying financial statements have been prepared on the cash receipts and disbursements basis of accounting, which is a comprehensive basis of accounting other than generally accepted accounting principles. Under that basis, the only asset recognized is cash, and no liabilities are recognized. All transactions are recognized as either cash receipts or disbursements, and non-cash transactions are not recognized. The cash receipts and disbursements basis of accounting differs from generally accepted accounting principles primarily because the effects of outstanding dues and obligations for assessments unpaid at the date of the financial statements are not included in the financial statements. Under the cash receipts and disbursements basis of accounting, capital assets and the related liabilities are not recorded and investments are reported at cost, which is also significantly different from the cash basis of reporting.

Net assets and revenues, expenses, gains and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the organization and changes therein are classified and reported as follows:

Unrestricted net assets - Net assets that are not subject to donor-imposed stipulations.

Temporarily restricted net assets - Net assets subject to donor-imposed stipulations that may or will be met, either by actions of the YMCA and/or the passage of time.

Permanently restricted net assets - Net assets subject to donor-imposed stipulations that must be maintained permanently by the YMCA.

Young Men's Christian Association of Southwest Kansas, Inc.

NOTES TO FINANCIAL STATEMENTS

December 31, 2015 and 2014

NOTE A - SUMMARY OF ACCOUNTING POLICIES - CONTINUED

3. Fund accounting

To ensure observance of limitations and restrictions placed on the use of resources available to the YMCA, the accounts of the Organization are maintained in accordance with the principles of fund accounting. This is the procedure by which resources for various purposes are classified for accounting and reporting purposes into funds established according to their nature and purposes.

Separate accounts are maintained for each fund. However, in the accompanying financial statements, funds that have similar characteristics have been combined into fund groups. Accordingly, all financial transactions have been recorded and reported by fund group.

The cash transactions of the YMCA are reported in one self-balancing fund group as follows:

Operating funds, which include unrestricted and restricted resources, represent the portion of expendable funds that are available for support of YMCA operations.

4. Expendable restricted resources

Operating and plant funds restricted by the Board, donor, grantor or other outside parties for particular operating purposes are deemed to be earned and reported as receipts of operating funds or as additions to plant funds, respectively, when the YMCA has received the cash.

5. Investments

Investments are composed of mutual funds investing in debt and equity securities and are carried at cost.

6. Income taxes

The YMCA is a nonprofit organization as described in Section 501(c)(3) of the Internal Revenue Code and is exempt from federal and state income taxes. Accordingly, contributions to the YMCA are tax deductible to the donor. The YMCA is, however, subject to income taxes on unrelated business income. Pursuant to ASC 740 "Accounting for Uncertainty in Income Taxes" management has determined that there are no unrecognized tax benefits or liabilities as of December 31, 2015 or 2014.

The YMCA's tax returns for the years ended December 31, 2013, 2014, and 2015 are subject to examination generally for three years after they are filed.

Young Men's Christian Association of Southwest Kansas, Inc.

NOTES TO FINANCIAL STATEMENTS

December 31, 2015 and 2014

NOTE A - SUMMARY OF ACCOUNTING POLICIES - CONTINUED

7. Revenue recognition

Pursuant to section 605 of ASC 958 "Revenue Recognition for Not-For-Profit Entities," contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence and/or nature of any donor restrictions.

All donor-restricted contributions are reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statements of cash receipts, cash disbursements and cash balances as net assets released from restrictions.

8. Contributed services

The YMCA receives a substantial amount of services donated by various outside organizations and individuals. No amounts have been reflected in the financial statements for those services since they do not meet the criteria for recognition.

9. Functional expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the supplemental information. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

10. Subsequent events

Subsequent events for Young Men's Christian Association of Southwest Kansas, Inc. have been evaluated through August 16, 2016, which is the date the audit report was available to be issued.

NOTE B - CASH

Cash balances from all funds are combined and invested to the extent available in authorized investments. Earnings from these investments are allocated to designated funds. All investments are stated at cost.
